North Lincolnshire Youth Arts Festival 26th July – 14th August 2010

2010 Summer Reading Challenge

Monday 19th July - Saturday 11th September

Zoom into space at North Lincolnshire Libraries this summer. We challenge you to take part! Children 4 years and over are invited to read 6 books this summer. The theme is intergalactic travel, following the Space Hoppers characters on their space mission to build a cosmic library, with gifts and certificates to collect along the way. Ask library staff about this year's reading challenge.

This year The Buzz Youth Arts Festival is offering a range of activities for young people aged 8 – 19 years, focusing on the themes of recycling, the environment and being green. Activities include singing, drumming, dance, drama, film, photography, craft and much more. There is something for everyone no matter what your interest or ability this summer in North Lincolnshire.

Got some spare time during the summer holidays?

Why don't you get together with some friends and make a film to submit to the Scunthorpe Young People's Film Festival? Not got access to a video camera? Get creative! Use a still camera to make a stop motion animation film or film something on your mobile phone and transfer that to your computer.

There will be a gala awards ceremony for shortlisted films next February where prizes will be awarded in several different categories.

More details, guidelines and entry forms can be found on the Buzz website. Just click on the film festival icon on the front page to take you through to the film festival page.
